ABOUT NALCAB

120+ MEMBER
ORGANIZATIONS

The National Association for Latino Community Asset Builders (NALCAB) represents and serves a geographically and ethnically diverse group of more than 120 non-profit community development and asset building organizations that are anchor institutions in our nation's Latino communities.

OVER \$300
MILLION INVESTED

Our mission is to build assets for Latino families, communities and organizations. NALCAB's work advances economic mobility for low to moderate-income individuals.

100,000+
IMPACTED

NALCAB pursues its mission by supporting its members with grants and other investments as well as by providing technical assistance in three program areas: equitable neighborhood development, small business investment and family financial capability. In close alignment with its core programmatic activities, NALCAB also operates a fellowship to invest in next-generation leadership within its Network, and hosts a national conference and national training.

MEMBERSHIP CRITERIA

Membership is open to those organizations that identify with NALCAB's mission and core values. We welcome you to join the NALCAB Network if you seek to benefit from the variety of services we provide. Our core values are:

● COLLABORATION

We recognize that by operating in strategic collaboration, we can achieve more. NALCAB seeks to organize and support operational consortia among our membership and to approach issues of national importance as a part of diverse, practitioner-driven coalitions.

● INNOVATION

We seek to challenge traditional structures and methods that fail to open access and provide value for predominately Latino communities. This requires that NALCAB and its members, present innovative and viable alternatives.

● FAMILIA

We honor family and see our mission in the faces and futures of the children in our communities. This value also reflects our approach to building trust with and among our member organizations.

● CULTURAL COMPETENCE

We interact respectfully and effectively with people of all cultures, while ensuring that we communicate in a culturally relevant manner in English and other languages.

● INTEGRITY

We believe in fairness and building trust through transparency, accountability and a high level of performance.
