The National Association for Latino Community Asset Builders (NALCAB) represents and serves a geographically and ethnically diverse group of more than 140 nonprofit community development and asset building organizations that are anchor institutions in our nation’s Latino communities.

Our mission is to build assets for Latino families, communities and organizations. NALCAB’s work advances economic mobility for low- to moderate-income individuals.

NALCAB’s vision is to dramatically scale the flow of public and private sector capital that responsibly meets the asset building needs in the communities and families we serve. We work directly with our member organizations to help them deploy capital; and by influencing investors and policy makers with research, advocacy and technical advice. NALCAB focuses its efforts in three areas of expertise: Small Business Investment; Equitable Neighborhood Development; and Family Financial Capability.
NALCAB supports its members through peer connections, capacity building, education, and advocacy. NALCAB Membership offers exclusive benefits such as:
